SUBJECT : Project [REDACTED].

25X1A2d1

For your information, Mr. Dulles discussed the referenced memorandum with me on 9 March 1953 and approved of the recommendations contained therein. However, in view of the fact that the [REDACTED] had talked to Mr. Dulles on the telephone only a short time before this and Mr. Dulles had already told him that we would accede to his request not to proceed with the [REDACTED] lease, Mr. Dulles considered it inadvisable to telephone him again. He assured me, however, that [REDACTED] had told him that he thoroughly understood that the Office of the [REDACTED] and the Office of the [REDACTED] had been fully briefed on this Project. He requested that the Deputy Director (Administration) and the Director of Training carry on from this point.
